Dear Neighbor,

You're invited! The City of San José Planning Division would like to invite you to a community meeting about a proposed General Plan Amendment request for a property in your area (see attached map). City staff will be facilitating the meeting and will provide you with an opportunity to learn about the proposal, provide input, and receive answers to your questions. The City of San José is very interested in your input on this proposal and encourages your attendance at this meeting.

Proposal: A General Plan Land Use/Transportation Diagram Amendment from Neighborhood/Community Commercial and Public/Quasi-Public to Transit Residential on an approximately 4.73 gross acre site.

Project Location - East side of Cottle Road, approx. 510 ft. northerly of Hospital Parkway (VTA Cottle Light Rail Parking Lot)

Environmental Review: The City is currently performing an environmental review of the proposed project. It is anticipated that the documents will be available for public review in mid-August 2017 on the City of San José's website at: <http://www.sanjoseca.gov/negativedeclarations>. More information about the environmental review process will be available at the community meeting or by contacting the environmental review project manager, Kieulan Pham, at kiulean.pham@sanjoseca.gov.
